

## **Tuck Chiropractic Clinic: Coverage Doctor**

### **Seeking Part Time Coverage Chiropractors to Join Our Group:**

Tuck Chiropractic Clinic is setting a new standard in patient-focused chiropractic care in Virginia. We want to help our patients feel better and to live with less pain! We are seeking a part-time Doctor of Chiropractic for some consistent coverage work filling in during absences for a variety of reasons. Availability on short notice can be expected at times. Our clinics are in long-standing locations, with an established patient base in the local community.

### **Position Summary:**

The foremost responsibility of a Coverage Doctor of Chiropractic is to provide patient care in the absence of the primary doctor in a clinic. This will involve working in conjunction with local clinical staff to provide high-quality patient care.

This position will undergo a training and transition program to ensure they have the knowledge of Tuck Clinic's Requirements for Patient Experience, Clinical Care Delivery and Outcomes, diagnosis coding and billing.

### **Essential Duties and Responsibilities:**

- Ensure every patient gets the best possible experience.
- Meet individual Clinic requirements for patient experience and care delivery utilizing skills developed through training and in-the-clinic experiences.
- Provide basic daily leadership of local employee(s). Ensure clinical employee(s) are providing every patient with excellent patient care that is both effective and efficient.
- Develop and improve adjusting skills through hands on patient care and feedback from senior clinicians and absorb clinical tips while serving a diverse patient population.
- Utilize correct coding for diagnosis and services performed in the clinic.
- Maintain proper documentation in EHR for each patient encounter.
- Work with the Vice President of Clinical Development on coverage work as needed to keep all clinics appropriately staffed with providers.

### **Educational and Experience Requirements:**

- Doctor of Chiropractic degree from an Accredited Chiropractic Program.
- Licensed, insured, and in good standing with the Virginia Board of Medicine.
- Flexible and open to constructive feedback from all sources.
